Subject: Cost Ceiling for Slauson Tanker Fire FPN E19902

Hi Elaine,

I am assisting Harry Allen with the Slauson Tanker Fire Site (FPN E19902), which is an OPA ER Site here in southern California. I would like to see where we stand financially, with respect to the FPN cost ceiling, so I can prepare a TO request on the new START contract and determine whether we need additional funds to complete the project. Harry Allen suggested you might be able to help with the accounting on this. Please let me know if you can.

Sincerely,
